YOU'RE ON THE CLOCK!

Cramazon is a real-time 2-to-4 player teamwork puzzle card game.

Your new boss has set your 5-day work schedule. You have 60 seconds each day to complete all the tickets.

Only touching your assigned resources, you and your partners will need to work together, share resources, and solve mini puzzles.

Any incomplete tickets bring jungle pests that force silly distractions.

Finally, you get a performance report. Let's see if you're Cramazon material.
