THE BAKE OFF PLAYOFF

ChampionChip is a 2-5 player baking and betting game with bite.

Players make bets or lend support to competing grandmas. Grateful grandmas payout their top bettors with cookies.

The player with the most cookies wins.

Played in 3 rounds and structured like a top 8 tournament bracket, grandmas use recipes, precision timing, and love to make the best chocolate chip cookies.

But watchout, sneaky players can play spoiler by slipping raisins into the mix.

Take-That Wagers

- Beting and Bluffing
- Investment
- Hidden Subterfuge

COMPONENTS

- 1 game board (10.5x19.5)
- 32 plastic stickered chips
- 1 chip bag
- 45 euro mini cards
- 5 tarot sized cards
- 8 grandma tokens
- 4 player tokens

A Simple Choice

Each turn choose between:

Place a facedown **bet card** that gets you to the front of the line for cookies from that grandma.

Or

Place a public **support chip** that helps that grandma win and determines how many cookies she bakes.

The round end triggers once any player runs out of chips, so you'll need to time your choices well to end the game with a full belly.
