

ROLLING ACRES

A ROLL, DRAFT, AND DRAW GAME

HERE'S A FARM. GET GROWING!

Rolling Acres is a relaxed dice drafting roll and write game for 1-5 folks.

Players have inherited a family farm in disrepair. The player that rebuilds their farm the best will win.

Play starts with players naming their farm, drawing farm structures and passing the sheet to the left.

Each round a lead player will roll multiple Farm Dice and a single Bounty Die.

Farm Dice determine what Crops or Livestock players can add to their farms.

The Bounty Die determines the shape options.

Players draft a single Farm Die and add the matching shape to their farm.

Each Crop and Livestock has different end-game scoring criteria.

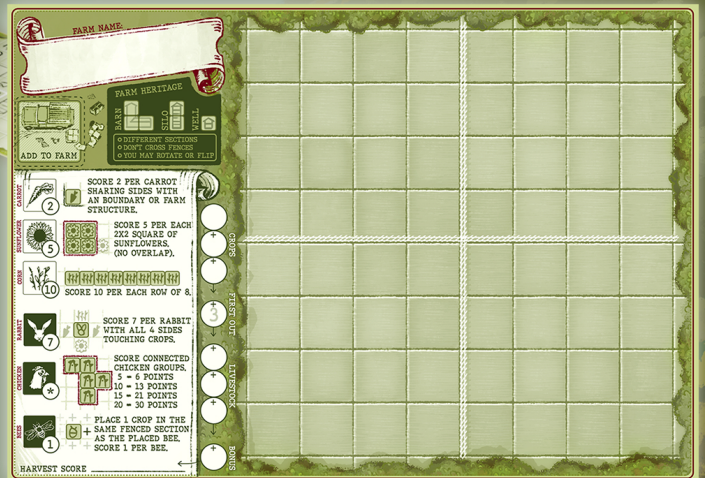

After end-game bonuses, the highest score wins.
